

Dear Parent
Greetings!

We missed the presence of the parents who could not attend the open house meeting for classes PG I –II held on 7th May' 2016. Summary of the meeting is as follows:

1. A presentation on 'Positive Discipline' was given by school counselor and emphasis was laid on 'How much and how little' can bring about holistic growth in a child.
2. To ensure that students develop eating healthy and a balanced diet, a weekly menu chart will be provided for the students of the primary school which needs to be adhered to strictly by the parents/guardians.
3. For better understanding and comprehension of logbook content through "Snap Home Work" app., It is being filled in capital letters with immediate effect
4. Life skill and moral values classes are being included in the curriculum to inculcate good values among the little ones.
5. Sample of assessment worksheets will be provided to the students of classes I and II atleast 7 days before every assessment.
6. To avoid unpleasant incidents occurring in the school buses, teachers/lady security personnel will be deputed in all the buses very shortly.

With sincere regards
