With ongoing 10 years at its back DPSG has proved itself much matured with its abounding success and bountiful accolades. It has stood tall in academics and has traversed miles in non academic activities as well thereby establishing itself as the first choice of parents. And that is possible only by the unstinted efforts of the Principal and teachers where every teacher in DPS Guwahati helps each student through the journey of self-discovery and provides them with wings to fly to fulfill their dreams. I send my best wishes to the Principlal, Mrs. Chandralekha Rawat and her team of teachers for taking the school to greater heights.

Indoctrination of life can be achieved only by having humility for the society and an open mindedness to deliver and to be causal to its growth. With this mindset, DPS Guwahati has set a tradition to give an environment to the students to explore the possibilities around and not to sit in the bandwagon. "A Journey towards Perfection"

It is my pleasure to mention that I had enrolled my daughter, Ayesha in 2006 and son Iqbal, in 2007 at DPS Guwahati, a hallowed educational institution with great expectations on their luminous educational performance along with their strong personality development and robust character building. During my cherished association with this much acclaimed institution, I have seen DPS Guwahati grow from strength to strength, setting new benchmarks in personalized care of each child and the institution has not belied my expectations in imparting the best in quality education and personal excellence.

In this period, I have increasingly gained confidence in 'Brand DPS', and consistency in the school's pursuit will go a long way in establishing itself as an institution of unrivalled primacy.

Prof. Ilias Ali MS
Professor of Surgery, Head of the department of Emergency Medicine, Gauhati Medical College, Guwahati
The State Master Trainer cum State Nodal Officer, NSV, Govt. of Assam
Senior Consultant, Family Planning, NHM, Assam

Ever since my daughter, Mahashweta enrolled in DPS Guwahati I have noticed that the school has really opened a new horizon for her as well as other students. The school has broken the stereotype barriers and traditional norms of learning which normally hinders the intellectual growth and freedom of the students.

The school is not merely a school alone. It is an extended family of students, teachers and parents. While the teachers are humble the school gives a climate which caters to the emotional and intellectual needs of the students. I am glad that my daughter is in DPS Guwahati where she is getting the kind of care and nurture that is shaping her into a complete individual will forge her to accept bigger challenges of life and I am positive that my daughter along with other students will emerge as a compassionate adult with respect for human dignity and values and not merely a professional par excellence.

students...

As an introvert, initially I perceived that walls of Delhi Public School, Guwahati were insurmountable. But as soon as I entered, I was embraced by the supportive faculty and peers. This school has not only offered me plenty of opportunities, but also the confidence to seize them. The nourishment and constant guidance provided by the teachers of DPSG is unparalleled. And an invariably improving student society only motivates me to perform better. All in all, I may have been in this school for just over a year but it feels like I belong here.

Bharbi Hazarika
Class: XII-E

I have been in the DPS Guwahati Hostel for the last 3 years and it has been a wonderful experience. It has been a home away from home. Our group tutors in the hostel are our true guardians. We fall back on them whenever we need help. Special prep classes are also organized for us after school. Day school teachers stay back after school to teach and clear our doubts. I have developed a close bond with other boarders and faculty members and they are my family. The hostel has taught me to love, share and care for each other.

John Britto Abrio D. Sangma
Class: XII-E

It feels as if only a day has passed since I first came into this wonderful and top notch institution, although there is a considerable time gap from that point to the point when I'm writing this extract. In its true sense, this institution is a home away from home.

This institution has made me what I am now. My sojourn in DPS Guwahati has been a great and immensely satisfying experience and I hope it turns out to be the same for all the dipsites to come.

4. The information given in the Admission form of our ward is true and correct to the best of our knowledge and belief. We understand that in case any information is found incorrect at any point of time, admission of our ward in DPS Guwahati will be cancelled without any prior intimation to us.
5. The school has a fleet of hired buses for commuting pupils from different places to school and from the school to the different localities of their residences. Presently, a firm called Childcare has been entrusted on contractual basis to ply the buses and take care of the safety of the students.
6. We understand that the school will try its level best to provide buses to all the main routes of the city. The school has right to cancel any bus route if sufficient number of students are not available on that route and in that case we will make our own arrangement to fetch and drop our ward at the nearest bus stop of the school. In any case, it will be our responsibility to drop and fetch our ward from the predetermined school bus stops.
7. We understand that DPS Guwahati, being part of the most reputed chain of schools, will fulfill all its promises with respect to the infrastructural facilities, but development of certain facilities takes its own time and we will cooperate with the school authorities in this regard.

10. In case our ward is suffering from any disease/problem that prevents him/her to take part in some games and sports activities, we will inform the school authorities in writing as soon as possible, along with a medical certificate.
11. We understand that for the purpose of uniformity in books, dresses & other similar items and maintenance of their quality, school may authorize dealers to provide these items to our wards and it will be mandatory on our part to take items from them.
12. We will inform the school authorities about any change in our home address or telephone numbers immediately after the change for updating the records or will not hold the school responsible for not receiving the information.
13. We will ensure that pickup & dropping stoppages of our ward(s) fall on the route already existing for DPS buses. Under no circumstances we shall force change of predetermined routes & bus stoppages.
