

Delhi Public School Guwahati
"Under the aegis of the Delhi Public School Society, Delhi"

FOR CLASSES PG-I to XII

Ref. No. DPSG/Cir/17-18/Admn:49

Date: 01-06-2017

Dear Parent,
Greetings!

As you are aware that discarded electronic items like laptops, tablets, mobile phones, charger, computer accessories, remotes, compact discs, headphones, batteries, etc. consist of hazardous materials like lead, mercury, cadmium, barium, beryllium, brominated flame retardants, etc. and their improper disposal is creating a potential threat of human health and environment.

To enhance awareness amongst the students and the community, DPS Guwahati is taking an initiative for e-waste collection and their sound recycling. Interested parents may send their already discarded electronic and electrical items which are not bulky by giving their consent in the pro forma attached. The discarded materials along with the duly filled in consent should reach the respective class teacher on or before 9th June 2017. All the discarded items will be collected and diverted to the Ministry of Environment and Forests, Govt. of India for their systematic disposal.

We believe through this drive students can get involved in safe environment practices and sustainable recycling technologies and address the issue of E-waste.

With sincere regards,

Principal
