

Dear Parent,  
 Greetings!

Senior secondary (+2 Stage) is a very crucial period for students where they have to equip themselves and achieve higher grades in the Board exams. With this frame of mind the school has decided the following:

1. WEEKLY TUTORIAL TESTS for Class XI & XII is being introduced on every **Monday** where attendance of the students is MANDATORY. The same shall come into effect from 05-06-2017.
2. After the test normal classes for the day will continue.
3. Students who fail to attend the aforesaid tests will not be allowed to sit for their regular classes on the next working day. Thereafter, the parents/authorized guardian have to come along with their ward and meet the concerned class teacher to justify the absence on the next working day between 2 pm to 3 pm in order to permit the student to attend the routine classes.
4. Under the compelling circumstances if the parents are not able to come on the said day to meet the class teacher they may send a written note to the Principal through their ward for the extension of meeting days and to permit their ward(s) to attend their classes. They have to meet the Principal within three working days post the examination schedule which the child has missed.
5. To ensure progression in board syllabus in the classes, 1<sup>st</sup> and 3<sup>rd</sup> Saturday will be a working day for the students of XI & XII till 11:45 am. The time table for the same will be notified in due course of time.
6. WEEKLY TUTORIAL TEST timetable shall be notified to the students on monthly basis. For 05-06-2017 it may be read as:
