FOR CLASSES XI & XII

Date: 07/06/17

Dear Parent,
Greetings!

We missed the presence of the parents who could not attend the 1ST open house meeting for classes **XI & XII** held on **Saturday, 29th April 2017 at 11:30am** in the school premises. Summary of the suggestions from the parents and measures adopted from the school are as follows:

1. Parents were briefed on the necessity of students' attendance in school as per CBSE guidelines. They were also briefed on the recent changes in academics made by CBSE and highlighted upon the various aspects like, syllabus break-up for each subject, extra enrichment /doubt clearing classes and importance of proper subject combination in class XI.
2. Parents were informed about the exam pattern of class XI. They were briefed on the importance of Term Test 1, Term Test 2 & Term Test 3 for getting promoted to Class XII.
3. To fulfil the requirement of parents a time table has been framed for doubt clearing and subject enrichment and the same has started for students of Class XI from 2pm - 3pm on weekdays.
4. For the improvement of academics in XI and XII and to achieve higher grades in the Board Exam, the school has decided to start Weekly Tutorial Tests for all the students on Mondays which is mandatory. Moreover, the extra classes for the underperforming students will continue as usual from 2pm -3pm on weekdays.
5. It was emphasized that students can approach subject teachers for clearing their doubts or for taking extra classes for the topics they miss, irrespective of the prescribed Time Table.

With warm regards and an expectation to have better attendance of parents in the next open house.
