Dear Parent
Greetings!

At the outset we would like to thank all the parents who attended the 1st Open House for the session 2018-19 on 5 May 2018 for giving their valuable suggestions. Following are the details of 1st Open House:

- Seatbelts in 28 new school buses shall be fitted during summer break. Thereafter the bus authorities will ensure that all the students compulsorily wear the seat belts while commuting and adhere to the safety regulations. Parents are requested to contact the school authorities if the same is not complied.
- Orientation programs will be conducted to equip parents with teaching methodologies adopted in the classrooms on working 4th/Saturday of every alternate month. The schedule will be communicated in due course of time.
- To monitor and supervise students who reach early to school, teachers have been deputed in order to ensure the safety and security. All such children are being made to assemble in a room designated for the purpose under the supervision of teachers. Later, the children are escorted to their respective classrooms.
- Books and notebooks are sent back home on every Friday for the reference of the parents. Parents must send them back to the school on next working day.

Thank you for your cooperation. Looking forward to many more valuable suggestions which can help our institution reach greater heights.

With sincere regards

Principal
