Dear Parent,
Greetings!!!

Please be notified that as per Hostel Rules Handbook 2016-17 (Pg 21) and DPSG/Cir/16-17/Admn: 07 dated 06-04-2016 boarders are not allowed to keep any money in their possession as it results in undesirable activities.

During frisking operation lately, money in the form of cash has been recovered from students. The school has a policy of depositing the confiscated cash in the school accounts department and the same shall only be returned to parents on completion of the academic session and declaration of results.

With sincere regards,

Principal
