

CLASS-II -SESSION-2021-22

EVS HOLIDAY HOMEWORK

1. Chapter – 12: Plants And Animals Around Us

Submission date: 31st August, 2021

Students need to plant a sapling of their choice in a pot and take care of it. They must observe it's growth each day. After almost 2 months, they need to click a picture of the plant and send it to the class teacher along with the following details (to be written in their EVS notebook):

TOPIC-LET'S GO GREEN

- i) Name of the plant: _____
- ii) Special Characteristics (if any): _____
- iii) Medicinal Benefits (if any): _____
- iv) Why I chose this plant? _____

2. Chapter – 16: Means Of Communication

Submission date: 31st July, 2021

Students will make a simple **paper boat** (using any coloured paper of their choice) and float it on water either taken in a tub / in any nearby puddle / pool. They need to click their picture while floating the boat and send the same to their class teacher.
