

Dear Parent,
Greetings from DPS Guwahati!

Academic evaluation of students is a very important milestone in any education system.. The pandemic has forced the cancellation of multiple exams but it has also provided us with an amazing opportunity to test our capabilities. I can very well understand the anxiety and emotions of our board students at this crucial juncture of their life. It is worth mentioning here that DPSG is one amongst a few schools that conducted two physical preboard exams and accordingly testified their potential, self belief and resilience that has brought rich dividends today. Please permit me to give you an overview of AISSCE (XII) – 2021 results.

With sincere regards,

Chandralekha Rawat
