My best wishes to all in their endeavour to bring out the 'School Prospectus'.

V. K. Shunglu
Chairman, DPS Society

I am pleased to learn that DPS Guwahati under the aegis of DPS Society is publishing its prospectus for the academic session 2023-24. In the last twenty years, the school has earned a name for imparting quality education in the region.

The school has been successfully catering to the needs of the learners, creating opportunities that have served as a springboard to their success. It has proved its mettle both in academics and co curricular activities. The dedication, devotion and diligence of the educators under the dynamic leadership of the Principal have taken the school to new heights. The school is committed to bringing out the best in every student and empowering them to grow as individuals with open and discerning minds, preparing them to take a leap forward while fulfilling their responsibilities towards the community.

I am sure the school will ever remain the first choice for all in the NE region.

My best wishes to all in their endeavor.

Vrinda Sarup
Chairperson, MC DPS Guwahati

With 20 years of legacy DPS Guwahati has proved itself much matured with its flourishing success and bountiful accolades. It has stood tall in academics and has traversed miles in nonacademic activities as well, there by, establishing itself as the first choice of parents in NE region. And that is possible only by the unstinted efforts of the principal, teachers, and other coworkers where every teacher helps each DIPSITE through the journey of self-discovery and provides them with wings to fly to fulfill their dreams.

I send my best wishes to the team for taking the school to greater heights.

Kaushik Dutta
Vice Chairman, MC DPS Guwahati

The measure of intelligence is the ability to change" Albert Einstein.

And change requires an open mindedness that can receive the training for life and use it for the humanity. An educational institute's priority is to create an environment to let its pupils explore the possibilities around rather than being fed with facts.

With ample opportunities to foster change through creativity in students at all levels, DPS Guwahati strives to nurture each talent in its' stress-free ambience. Our unique approach of educating the young minds and building humanitarian attitude to social causes have brought us many recognitions of international and national fame.

We are an evolving team that aspires to inspire its DIPSITES to follow their dreams in creating opportunities.

Dr. A. K. Pansari
Pro Vice Chairman, MC DPS Guwahati

There are no quick-fix solutions in life. To perceive things better, we need to culture the behaviour, the attitude, and the ability of our young generation.

DPS Guwahati enriches all areas of the lives of the Dipsites, immediately impacting their studies and preparing them for the challenges in the future. During their course of education in DPS, pupils fully develop their abilities to learn the new, unlearn the wrong and relearn for the goodness; recognize their true potential and strengthen their ability to change only to define their own success and thereby have fulfilling and joyous life.

In short, we empower THE YOUNG MINDS.

On behalf of the DPS Guwahati family I extend a warm welcome to all students who intend to be an integral part of DPS Guwahati family.

Chandralekha Rawat
Principal, DPS Guwahati

A Great Commencement

Gyan Sarovar Foundation - a registered body under the society's registration act of 1986 came into existence in the year 2003 as a brain child of three leading industrialists, educationists and philanthropists of the region – Dr. A. K. Pansari, Mr. K. C. Lohia and Mr. R. A. Agarwalla.

Having established GSF; the three patrons started DPS Guwahati under the aegis of the DPS Society, New Delhi, with the noble intention of providing quality education in the north-east.

DPS Guwahati sprawls over 60 bighas, with approximately 75% of open space, in sylvan retreats of verdant hills. The school boasts of its world class infrastructure, play fields, carefully manicured lawns and well crafted recreation parks. It welcomes one and all to an abode of serenity and tranquility, bringing together the cosmopolitan and technologically advanced education system.
