

D/P

The following points merit your kind attention:

1. With ref. to the CBSE circular no.47/2020 dated 07.07.2020, curriculum for classes IX to XII has been reduced by 30%. The revised curriculum is uploaded on the school website.
2. As notified earlier first online exam for classes VI to XII begins from 27th July 2020.
3. The part of curriculum which has been already taught, but now deleted in the revised curriculum stands deleted for the upcoming online examinations as well.
4. PA 1 Syllabus for classes VI to VIII remains the same.
5. Exams and online classes thereafter will be conducted through Microsoft Teams instead of Zoom app. Hence you are requested to download Microsoft Teams.
6. User ID and password would be provided shortly to the students through the class teacher. To maintain confidentiality you need to change the password.
7. Online training session will be conducted for the students as well as parents. Details regarding the same would be shared with you through the class teacher.
8. Parents are requested to attend the session along with their ward to understand the entire procedure of the online exam.

Take care. Stay safe.
