**5. Important instructions :**

- For every subject, students will be appearing for an online MCQ exam followed by an offline descriptive type exam, with a time gap of 15 minutes in between.
- Students are required to write their Name, Class, Section, Exam Roll no, Subject, Date and page number on the top of every page of the descriptive answer sheet.
- Once completed you will take a clear snap of it and convert it to PDF form with the help of any App present in the mobile. (for example Microsoft Lens.)
- Rename the PDF file in the format mentioned as under:  
**Admission no (firstname-lastname) subject (class / sec).pdf For example: 19024 (Ankit-Roy) Eng(9B).pdf**  
Note that there should be **NO space** while naming the file.
- Each paper will be uploaded at a specific time. You need to finish both the exams in the stipulated time.
- To complete the process mentioned in the above points (a – e) you will get half an hour extra time besides your exam time.
- At last you need to upload it to the specific Team (subject).
- MCQ as well as descriptive paper will not be accepted after the allotted time.
- Students of classes 6-10 need to note that for subjects like science and social science, answers need to be written on separate sheets for each component. foreg. In case of Science: Phy, Chem and Biology needs to be written on separate sheets following the instructions mentioned in point d above and the PDF file needs to be renamed as mentioned above. After that each part needs to be submitted to the respective teams (subjects).
