### Guidelines for appearing in Retest:

1. Students need to commute to school by their personal vehicle.
2. Students must reach school 15 min before scheduled starting of examination.
3. They will directly move to the examination rooms in the hall allotted strictly through the route directed.  
(6 students will sit in one room maintaining social distancing)
4. All students must wear a mask at all the time while inside the school campus.
5. Students should carry hand sanitizer and their own bottle of drinking water.
6. Parents will not be allowed to enter the school campus.
7. Students must bring school RFID card issued during the last academic session 2019-20.
8. Any student having the symptoms of COVID-19 such as fever, dry cough, tiredness, aches and pains, sore throat, diarrhoea, conjunctivitis, headache, loss of taste or smell, a rash on skin, or discolouration of fingers or toes, difficulty breathing or shortness of breath, chest pain or pressure, loss of speech or movement, must not appear for the retest.
9. Any student found with any of the above mentioned symptoms will be asked to leave the examination hall immediately.
10. School will take all the necessary safety measures for prevention of COVID-19 infection, such as fumigation and sterilization of the entire infrastructure.
