2. **Online examination Date:**

For class XII: 27th July 2020 to 6th Aug 2020

For Classes IX- X: 27th July 2020 to 31st July

For classes VI – VIII: 27th July to 4th August 2020

*** 1st Aug and 3rd Aug, 2020 holiday due to Id-ul-Zuha and RakshaBandhan.

3. **Mode of examination for PA I/ PT I/ Unit Test I: Online through Microsoft team.**

4. **General Instructions for students**

1. In Microsoft Teams, please change your default password to a new password with at least one capital letter, special symbols, alphabets, digits and no space.
2. Once Microsoft Teams is opened in mobile/desktop/laptop don't logout i.e. stay sign in.
3. To make students acquainted with Microsoft Teams subject teachers will conduct **mock online test** (MCQ as well as subjective) during their routine classes. Students will get information about the same from their respective subject teachers.

5. **Important instructions related to online examination**

1. For the entire duration of the online exam **your camera and microphone must be switched on.**
2. Ensure that there is no background sound during the exam period, to avoid disturbance.
3. Keep/arrange for a substitute internet connection for the exam. In case you get disconnected try to get connected as soon as possible.
4. During the exam period, your number of **entries (join)** and **exits (disconnect)** with the time will be **recorded** in the form of attendance.
5. For every subject, students will be appearing for an **online MCQ exam** followed by an **offline descriptive type exam**, with a time gap of half an hour in between.
6. Students will attempt the answers for descriptive type exam on ruled sheets.
7. Students are required to write their **Name, Class, Section, Exam Roll no, Subject, Date** and **page number** on the top of every page of the descriptive answer sheet.
8. Once completed you will take a clear snap of it and convert it to PDF form with the help of any App present in the mobile. (for example Microsoft Lens.)
9. Rename the PDF file in the format mentioned as under:
Admission no (firstname-lastname) subject (class / sec).pdf
For example: 19024 (Ankit-Roy) Eng(9B).pdf

Note that there should not be any space while naming the file.

10. Each paper will be uploaded at a **specific time**. You need to finish both the exams in the stipulated time.
11. To complete the process mentioned in points 7-10, you will be getting half an hour extra time besides your exam time.
12. At last you need to upload it to the specific Team (subject).
13. MCQ as well as descriptive paper **will not be accepted after the allotted time.**

14. Students of classes 6-10 need to note that for subjects like science and social science, answers need to be written on separate sheets for each component. for eg. In case of Science: Phy, Chem and Biology needs to be written on separate sheets following the instructions mentioned in point 7 above and the PDF file needs to be renamed as mentioned above. After that each part needs to be submitted to the respective teams (subjects).

15. Please go through the instructions carefully before sitting for the exam.

16. Any unfair means noticed by the invigilator may debar you from writing your exam.
